

Griffith Residence

Griffith Halls of Residence is a development of modern student accommodation located on the grounds of Griffith College Dublin, a twenty-minute walk from St. Stephen's Green in Dublin city centre. Situated on the south side of the city, it is on a direct bus-route to the city centre and the nearest tram station is less than a 15-minute walk away. It offers high quality accommodation in an environment created with today's student in mind.

Location

South Circular Road, Dublin 8

Accommodation

This modern, comfortable accommodation consists of two-bedroom apartments that can accommodate typically 3 or 4 people. Most of the bedrooms are double rooms (shared by two students) and there is a limited number of single rooms. Each two-bedroom apartment has two bathrooms, one ensuite. The bedrooms are equipped with two single beds, two bedside lockers, two wardrobes, two desks and two chairs. The living areas are tastefully decorated and comfortable with couches and satellite television.

Catering

The kitchen areas are well appointed and include a fridge/freezer, microwave, electric kettle and ample storage cupboards. Self-catering facilities are available to adult students on request.

A large on-site restaurant offers students a wide range of hot and cold meals served daily. Students on a full-board package are given breakfast, lunch and dinner including a packed lunch at the weekends.

Classrooms

Classroom facilities on campus are within easy reach of the apartments and the restaurant. Griffith College is also easily accessible to Palmerston Park by tram.

Availability

Griffith College Residence is available for junior students (both groups and individuals) during the summer months and available for Adult students throughout the year. The residence is also available for junior mini-stay groups. Prior to booking please check availability.
