## Airport Pickup

If you have booked an airport transfer, you will be met at one of the three major local airports (JFK, LaGuardia, or Newark) by a representative from our airport pick-up services. After you collect your baggage from Baggage Claim and/or pass through Customs, go to the arrival waiting gallery. This is the last area BEFORE the exit of the airport building where passengers meet the people who come to pick them up. Your driver will be waiting for you INSIDE the arrival waiting gallery. Look for someone holding up a sign with your name on it and the EC Logo.

If you are arriving at JFK airport, please make sure to look out for the EC driver as you exit customs/immigration and then once you receive your luggage. Drivers, private cars and taxis normally wait around the EXIT. You should keep their eyes open and look out for an EC NY sign with your name displayed on it.

If your first flight into the U.S. is delayed or your flight number is changed, you must call: +1 347 567 3543

If you arrive at the airport and you cannot find your driver, you should also call the number above. If your flight is delayed or cancelled, you must call to reschedule at least two hours before your originally scheduled pick-up time. Otherwise, you will have to pay for a second transfer or take a taxi.

**You should not get into a car with anyone who does not have this EC sign.**
