

### Training courses for Spanish teachers.

Through these courses, we offer Spanish teachers the opportunity of both refreshing and improving their knowledge of Spanish language and culture and of working and reflecting on the most modern methodology of teaching Spanish as a Foreign Language.

The courses last one week with six lessons a day, from 09.00 to 14.00 for a total of 30 lessons per week.

The course offers a cultural program, consisting of 3 activities per week (guided tours of Museums, outdoor activities, concerts and theatre, films, flamenco, etc.). These activities take place in the afternoons.

We can provide the teachers with accommodation as TANDEM has a professional accommodation service which has a broad experience in finding the idea place to stay. There are several options to choose from: family accommodation, apartments, hostel or hotel accommodation, etc. The prices vary, depending on the choice.

The price of the course (without accommodation) is 445 Euros, which includes the tuition and the Cultural Program, except the costs of tickets for museums, food and beverages, transport, etc.

Our Teacher Training Courses are included in the Comenius Grundtvig Catalogue. This means that participants from EU countries can receive a grant from the European Agency.
