Our Teachers

Having a recognised diploma-level qualification in teaching English to speakers of other languages is a requirement for our permanent teachers. In addition to this, they will also have extensive teaching experience in a variety of professional areas. It is a minimum requirement that teachers have a recognised English language teaching qualification i.e Cambridge CELTA, Trinity College TESOL Certificate or equivalent. Most teachers have a degree level qualification.

Within our established long-term team, a number of teachers have Masters level qualifications, most have qualified teacher status (QTS) and some have specialist subject qualifications. Many of these teachers have positions of responsibility according to their areas of expertise.

Our Mission

Excellence in English language teaching, training and testing – putting the student first.

Examination Programme

At Anglo-Continental we successfully prepare our students for English language examinations, which are widely accepted in academic and commercial institutions throughout the world. We provide courses in preparation for mainstream examinations such as the International English Language Testing System (IELTS) and the University of Cambridge B2 First.

Courses are designed to develop the necessary skills relevant to the particular examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

Examination Practice plus Intensive Courses

These courses aim to raise your level of general English by providing 20 lessons per week of intensive English language study. The general English classes will develop your confidence, knowledge and skills in English. These classes are combined with 10 lessons per week of practice for the examination of your choice: IELTS, B1 Preliminary, B2 First and C1 Advanced. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

- Examination preparation and practice for IELTS, B1 Preliminary, B2 First and C1 Advanced
 - Individual Tutorials with the teacher and the Course Coordinator

Learning Objectives

Having identified your objectives and established your level, we plan your course and then monitor your progress throughout your programme:

- Pre-training assessment form
- Entry test and needs analysis
- Regular individual tutorials
- Weekly review of your learning priorities

Personalised Learning

You do not need to worry if you have a low level of English or if it has been a long time since you studied in the classroom. Whether you are a beginner or a graduate in English, the teaching will be productive, enjoyable and appropriate to your needs.

Club 50+ Programme

More and more people in their fifties, sixties and beyond appreciate the attraction of a short, well-organised study programme - especially when it is combined with visiting and exploring new destinations. If you are fifty or over, this programme offers you the ideal opportunity to visit England for a stimulating and productive holiday.

Your classes

- You will study in a class where the minimum age is fifty, providing there are sufficient students at
 your level attending the course. In periods where we have lower student numbers, you will be
 taught in our General English Programme G-1.20, which has no upper age limit.
- The classroom approach is to create an informal atmosphere for purposeful learning, conducted at a pace suitable for those who may not have been in a classroom for many years.
- Our friendly and approachable teachers will make the classes interesting and enjoyable and will use modern teaching methods and materials to build your confidence in speaking English.
- Group activities will be arranged to improve your comprehension and communication skills, such as guided and free conversation practice, role play and discussion of aspects of British and international life, customs and culture.
- Learn in an international environment and make friends with people from many other countries
- Free access to the multi-media learning centre.

Excursions, leisure activities

Outside the classroom, you will have the benefit of guided excursions to places of historical and cultural interest and of carefully arranged leisure activities. You will also have time for sightseeing and shopping on your own or with your new friends from the school.

Your accommodation

We normally provide accommodation with selected homestay families so that you will have no worries about your welfare and your meals. If you prefer to be independent, we can recommend alternative accommodation such as hotels or guest houses to meet your needs.

Programme Features

- Enjoyable English language tuition
- Virtual learning environment eAnglo
- Relaxed conversation and discussion of current affairs and British life, customs and culture
 - From Elementary to Upper Intermediate level
 - Special excursions and leisure activities

Vacation Programme

The Vacation Course consists of 20 lessons per week of General English language lessons.

Classes

Your son/daughter will study in a lively international atmosphere with others whose levels of English are similar. Your son/daughter will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English will be the only language used!

Lessons

Your son/daughter will receive a balanced programme which includes grammar, skills development, and vocabulary development. The classes will be learner-centred. This means that students will take an active part in the classes and will be expected to speak with and listen to fellow students in pairs or small groups.

Homework

Homework forms an integral part of the course.

Progress

Lessons will include a variety of activities including games, quizzes, pair and group work, which will enable the teacher to assess your son/daughter's performance on a weekly basis. If your son/daughter's class reaches the end of a level, a longer test will be given to see if your son/daughter is ready to progress onto the next level.

Excursions, Sports and Leisure Activities

A variety of excursions, sports and leisure activities are a key part of this programme. The excursion and activities are carefully chosen to support continuous language development and to encourage students to practise their English skills outside of the classroom with other international students.

It you wish your child to ake online lessons before or after completion of their course please refer to pages 30 - 32

IELTS Preparation Vacation Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations. The IELTS Preparation Vacation Course will prepare students for the highly regarded International English Language Testing System (IELTS) examination.

The course is designed to develop the necessary skills relevant to the IELTS examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

IELTS Preparation Courses

Recognised worldwide, IELTS assesses the language ability of candidates who need to study or work where English is the language of communication. Our IELTS Preparation Vacation Courses are intended for those who wish to benefit from preparation for the IELTS test, which includes listening, speaking, reading and writing components.

The course aims to raise the students level of general English by providing 20 lessons per week of intensive English language study, combined with 10 lessons per week of practice for the IELTS examination. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

Homework

Homework forms an integral part of the course.

Excursions

Students will participate in weekend excursions and may choose to join the weekday leisure activity programme. The excursions and activities are carefully chosen to support continuous language development and to encourage students to practise their English skills outside of the classroom with other international students.

Notes

A If you plan to take an examination, we recommend that you register for the examination in advance. Please check the website for examination closing dates: www.anglocontinental.com/

B If you would like an indication of your English language level, you can take an online test. This will be used as a guide and final acceptance is subject to our examination pre-test or our entry test held at the school.

If you have not yet reached the required level, you can first enrol for a period of preparation on a General English Course. See pages 8 - 10.

Any request to change or leave accommodation, either separately or in conjunction with the curtailment of a course, must be made to Anglo-Continental at least two weeks before the date of the proposed move and approved before the change is made. Failing this, accommodation fees are payable in lieu of notice. An administrative charge of £70 will be made for each request to change homestay family accommodation. Accommodation fees continue to be payable for any periods of absence during the course.

If a student fails to arrive within one day of the start date of his/her accommodation we reserve the right to cancel the students' booking. Please note that we may not be able to make a new accommodation placement.
