HIGH SCHOOL PROGRAMME

Course Aim

This programme is ideal for students planning to continue their studies at third level in an English-speaking country or for those who wish to pursue further education through English in their home country.

Course Description

CEC collaborates with a select group of partner secondary schools in Cork City and surrounding areas. Each school has been carefully chosen for its strong academic record and the consistently excellent results achieved by its students in the final school-leaving exams. On average, 80–90% of graduates from these schools progress to third-level education.

Our High School Programme is available in both day schools and boarding schools for students aged 13 to 18 years.
