WELCOME

Welcome to the CEC Erasmus+ Brochure for 2027.

2026 was a year of great highs with thousands of students joining us in Cork from all over the world on a range of different programmes.

In 2026, we marked our 48th year of operation and welcomed close to 80 different nationalities to Cork, with an average of 38 nationalities each week in our adult school and over 1,200 junior students to our host family and residential centres for the month of July.

It is our belief that we provide a quality product with regard to every aspect of the students' journeys. Our programmes are designed to solidly improve students' language abilities through our courses and extra-curricular activities, whilst at the same time providing a friendly and sociable environment for students to enjoy their experience at CEC.

CEC's adult campus is located in the heart of the city centre and is comprised of three beautifully renovated historic buildings, providing state-of-the-art facilities including interactive whiteboards, an IT room and free Wi-Fi throughout - all designed to enhance the English language experience. All adult students have access to the state-of-the-art CEC E-Learning platform from the moment the course is booked until three months after they finish.

Our Erasmus+ programmes consist of one or two-week courses based on tuition from Monday to Friday plus a full-day activity option on the weekend for a total of 25 hours. Each programme's tuition fees are inclusive of the classes, activities/excursions, materials and registration fee. Accommodation and any necessary transfers are additional.

CEC is unique in our position. We are the only school in Ireland that is an open exam centre for Cambridge ESOL, IELTS, Trinity College of London, TOEIC, OET and Language Cert. Please take some time to look through this brochure to see the wide variety of quality programmes we can offer you and your clients in the coming year. Please also do take the time to visit our website for full information on all of our services and courses at www.corkenglishcollege.com.

WHY CORK?

Cork is Ireland's vibrant second city and the perfect choice for EFL students seeking an authentic Irish experience. Ideally positioned at the beginning of both the Wild Atlantic Way and Ireland's Ancient East, Cork offers endless opportunities to discover Ireland's breathtaking scenery, fascinating heritage, and lively culture.

Famous for its friendly atmosphere, Cork was voted the third friendliest city in the world by readers of Condé Nast Traveller. Combined with its welcoming community, excellent amenities, and unique charm, it's easy to see why Lonely Planet describes County Cork as a place where *"everything good about Ireland can be found."*

Cork City has a population of approximately 225,000. The city is compact, with excellent public transport. Most of the city's attractions are within walking distance of the centre and many are free to visit. The city is surrounded by small towns and villages and a vast, rugged coastline, considered to be among the most beautiful in Ireland.

The city centre has a vibrant arts and cultural ethos and was selected as the European City of Culture in 2005. Cork is host to many world-renowned festivals. These include the Guinness Jazz Festival, the International Film Festival, Cork International Choral Festival and Cork Midsummer Festival, to name a few.

Corkonians often refer to their city as the ‘real capital’ of Ireland, and it is true that Cork is certainly the gourmet centre of Ireland. The rich agricultural landscape has created a tradition of quality produce and culinary excellence, with some of Ireland’s best restaurants and food markets in Cork.

Cork is a major centre for international trade and manufacturing. Cork Harbour is one of the largest natural harbours in the world and the county is a second home to many multi-national corporations, including Apple, EMC, Amazon, Airbnb, Marriot International, Eli Lilly and Pfizer, most of which provide bilingual customer service support from their Cork offices.

PARTICIPANT PATHWAY

CEC is an Online Testing School

We ask all participants to take our online placement test before travelling to Ireland. This allows our academic team to place you in the correct level and take you to class after a welcome induction on your first day. A member of the academic team is available if you need help or have any questions.

Participants' First Day

We ask participants to arrive at our adult centre by 8.30 am on their first day for a welcome presentation with the CEC team, where participants receive important information about the school and their timetable. Participants who have taken the online test are brought directly to class to meet their teachers. CEC's classes follow the Council of Europe Common European Framework for Languages (CEFR) and we offer classes from A2 to C1.

Progress

Our qualified and experienced teachers use a variety of published and authentic materials to help participants progress as quickly as possible. Teachers and academic management meet regularly to discuss each student's progress. Teachers meet students individually once a week, offering feedback and advice on how to improve. There is also a brief progress test every Friday. When a participant is ready to move on to the next level, they join their new class on Monday.

Methodology

CEC uses a communicative teaching approach focused on helping participants use English confidently and effectively in real-world situations. Courses develop grammar, vocabulary, pronunciation, and the key skills of listening, speaking, reading and writing, with a strong emphasis on accuracy and meaningful communication. All courses are mapped to the CEFR and include clear learning outcomes that participants can track and discuss with their teachers.

Afternoons

Participants can join our wide range of activities, all of which are built into each Erasmus+ programme.

CEC Online

All participants have access to CEC Online, our integrated E-Learning platform. CEC Online is accessed through www.corkenglishcollege.com and offers students a wide range of additional learning exercises to complement their programme and study.

Course Certificate

On completion of the course, participants receive a CEC course certificate. An academic report is also sent to the student's CEC Online account. Any necessary documentation for Erasmus+ funding can be submitted to the main reception at the beginning of a participant's first week and collected on the final day.
