

TOOLS FOR MINDFUL EDUCATORS

Learn the foundations of mindfulness as applied to education and explore how it can improve well-being and foster critical thinking, performance, creativity, and empathy.

Course Outline

This course aims to give the participant a basic foundation in the practice of mindfulness as applied to education. Mindfulness is known to improve wellbeing and can foster critical thinking, performance, creativity, and empathy - valuable life skills which can be transferred to our professional lives. The participant will also develop their emotional intelligence and become more emotionally competent both on an intrapersonal and interpersonal level, enhancing performance and improving relationships.

COURSE OBJECTIVES

Overall objectives of the mobility

- Discover the fundamental principles of emotional intelligence and mindfulness.
- Acquire fundamental practical skills to bring that theory to life in your professional life.
- Use theories of mindfulness to aid students with problem-solving
- Develop mindful lessons and daily tasks that can be adapted to your classroom

Erasmus+

Added value of the mobility

The course equips participants to reflect on their classroom experiences and foster their professional and personal development. It will also help participants to build their competence and confidence by becoming more conscious of how they relate to the situations and people around them.

Activities to be carried out

- Interactive teaching with individual and group work to understand the theory and practice of Mindfulness and its relation to Emotional Intelligence
- Workshop sessions to practice mindfulness activities that will work in an educational setting
- Exploration of tools and resources to help develop a useful mindfulness practice.
- Cultural and heritage trips as part of a chaperoned group

Expected outcomes and impact

Incorporate mindfulness into education as a tool to improve wellbeing and performance. Become more emotionally competent. Become mindful educators. Achieve goals without striving too hard. Build a wiser more compassionate future. Embrace new cultural contexts and build networks with international colleagues.

Cultural Programme

The courses are delivered at Atlantic Centre of Education in Galway on Ireland's 'Wild Atlantic' Coast, and participants will have ample opportunity to learn about the cultural heritage of both Ireland and the local area. The week-long programme includes a full-day cultural tour to a local area of scenic and heritage value, a guided historical walking tour of Galway city, and afternoon social and cultural activities. Our staff are happy to suggest other tours and events to enjoy during your stay in Galway.
