ERASMUS+ PROGRAMMES - INTRODUCTION

We are committed to developing and delivering engaging and motivating courses that help you upgrade your language and professional skills in a vibrant and diverse learning environment. We'd love you to join us on one of our Erasmus+ training programmes in 2027.

Inside and outside the classroom Atlas offers:

- an experienced team of trainers who are committed to helping you gain practical strategies and skills to improve your own teaching practice and professional skills.
- workshops with discussion topics that allow you to reflect, share ideas and more confidently design and deliver your own active learning experiences
- a range of activity types that focus on developing the language and skills to improve your own fluency when communicating in English.
- a focus on the **Erasmus key principles of Digital Transformation, Diversity and Inclusion, and Sustainability**
- a variety of Irish/British/Maltese life and culture sessions that encourage you to scratch below the surface and explore what makes modern Ireland and Malta tick
- an engaging social programme linked to the classroom sessions that allows you to extend your learning in a friendly, informal way beyond the classroom.

FEATURES OF OUR ERASMUS+ PROGRAMMES

A team of highly-qualified, experienced and motivated trainers

A vast selection of Training Courses which are eligible to be 100% funded by the Erasmus Plus Key Action 1 (KA1 learning mobility of individuals).

Courses designed for practising primary, secondary, VET, adult education and university teachers, as well as other school, university and adult education staff.

Tailor-made courses for closed groups based on pre-course questionnaires to ensure the course meets the development objectives of individual participants and your Erasmus+ project.

Our courses foster networking and collaboration, allowing you to exchange ideas, share best practices, and build lasting connections within the global education community.

A range of afternoon activities and excursions where you will be encouraged to develop language skills and enhance cultural knowledge in a more informal environment outside the classroom.

Accommodation options, from half-board homestay to self-catering and half-board residential accommodation.

WHAT IS ERASMUS+?

Erasmus+ is an EU programme supporting education, training, youth, and sport in Europe through funded opportunities for courses, exchanges, and projects. Education staff from all sectors can apply for grants under Erasmus+ Key Action 1.

Are you interested in applying by yourself, or on behalf of your school? Scan here for a general overview of how to take part!

WHO CAN PARTICIPATE?

1. **Primary, Secondary, VET and Adult Education staff** can benefit from Staff Mobility grants to enhance their English language, plus teaching and professional skills.
2. **Higher Education academics, teachers, and researchers** can benefit from Staff Mobility grants for English courses and academic development.
3. **Administrative staff** working in all areas of education are also eligible for Staff Mobility grants focusing on English language communication and professional skills.

HOW TO APPLY?

To participate in an Erasmus+ course, you must apply through an organisation, such as your university, school, training centre, or regional association that organises Erasmus+ mobilities. Check if your organisation is involved in an Erasmus+ project or applying for a project grant. If your organisation has an International Office or an Erasmus+ Coordinator, they will assist you with the necessary information and guide you through the application process. **Please let us know if you require assistance when completing the application.**

English for Academics PLUS

DUBLIN

Who is this course for?

This is an intensive professional training course for academic staff working in schools, VET colleges, universities and other education institutions, which mainly focuses on upgrading their level of English for everyday social and workplace.

Format

This English for Academics PLUS course is a one-week course consisting of 20 lessons of General English, plus 6 lessons focused on Academic Topics, plus 3 integrated off-site activities or excursions as part of an extensive cultural and social programme.

- 5 mornings or 5 afternoons of General English classes + an additional 2 mornings or afternoons of small-group focused on Academic Topics (26 lessons of group tuition in total)
- 3 integrated off-site activities or excursions / week
- Duration: 1 week
- Level: Upper-intermediate (B2)
- Location: Dublin

Follow up

Participants on the course are encouraged to keep in contact, sharing materials and experiences when back in their own classrooms. Follow-up contact is made with the participants after completion of the course to gather feedback on the effectiveness of the classroom activities presented and on how their teaching practice has developed.

COURSE AIMS

By attending this English for Academics PLUS course you will:

1. **Improve your control and flexibility over a range of grammatical structures, vocabulary, and functions to communicate ideas for a range of social and professional purposes.**
2. **Communicate more effectively using appropriate pronunciation without being misunderstood or asked to repeat what you have said.**
3. **Give a prepared presentation on a familiar topic with the main points, including such things as similarities and differences, explained with reasonable precision.**
4. **Write straightforward connected texts on a range of familiar subjects within your field of interest.**
5. **Broaden your awareness of Academic Topics by attending additional workshops, which will help you develop your own academic skills and those of your students.**

METHODOLOGY

Our teaching is based on a communicative approach, which means participants focus on real-life tasks, such as expressing and exchanging ideas, opinions and experiences. Participants are expected to actively participate in all pair work, small group and whole class tasks and activities. Participants should try to use new language in class, to ask questions, and to listen carefully to teacher feedback on how to say things better.

During the course, participants will also take part in a range of activities where they will be encouraged to develop their language skills in a more informal environment outside the classroom and further enhance their knowledge of contemporary Ireland.

COURSE PROGRAMME

The English for Academics PLUS course has two main components:

1. **Improved English language and communication skills in international contexts**
2. **Additional workshops aimed at broadening awareness of Academic Topics**

TESTIMONIALS

Mariarosaria Bertuccio, Italy
General English Training ★★★★★

I really appreciated how professional yet friendly the teachers were, as well as the warm welcome from the entire staff. Everything was organized in the best possible way, including both the school lessons and the social events.

María Celia Milan, Germany
General English Training Google Reviews

I spent two wonderful weeks at Atlas School Dublin. The school is amazing, with excellent teachers and incredibly kind and helpful staff. The classes were dynamic and high-quality, and the activities organized by the school made the experience even better.

Hanka & Lenka, Czech Republic
IALT

Atlas felt like the perfect choice from the moment we arrived. The welcoming atmosphere, inspiring building, and engaging teaching made the course highly enriching. Discussions were meaningful and the learning experience very rewarding.

Ola & Aneta, Poland
AI & Digital Tools in Education

We wanted to improve our digital skills and now feel much more confident. The course introduced a range of new tools that we can use in our classroom, making our teaching more effective and relevant for today's students.

Valentina & Götz Italy & Germany
Education for Sustainable Development

We really liked the course and the international environment at Atlas. Our favorite thing about the course was definitely the content related to the UN 2030 agenda on sustainability and the environment.
