Erasmus+ Teacher Training
for Teachers of German

This one-week professional development program is designed for non-native teachers of German (minimum level B2) who would like to strengthen both their own language skills and their teaching methodology.

Description of course

Participants join our international Mini-Groups (maximum 10 participants) for General German lessons in the morning and take part in dedicated Teacher Training sessions in the afternoon. Throughout the week, they experience communicative language teaching from a learner's perspective, reflect on classroom practice and discover practical ideas they can immediately transfer to their own teaching. Located in the UNESCO World Heritage city of Bamberg, Treffpunkt offers a welcoming, international learning environment with small groups, experienced teachers and an engaging cultural program.

The programme includes

- 20 lessons of General German in an international Mini-Group (maximum 10 participants)
- 5 lessons of Teacher Training methodology
- Placement test
- Course materials
- Erasmus+ documentation
- Certificate of attendance
- Cultural programme (travel and entrance fees not included)
