TERMS AND CONDITIONS

Expanish

Expanish agrees to provide Spanish immersion courses with experienced and trained teachers, and provide a number of related services such as activities and programs. Expanish is not liable for any damage resulting from or compensation related to incorrect or withheld information received from the student at the point of booking.

Terms & Conditions

These terms & conditions apply from the moment the student has submitted and completed the Expanish booking form.

Visas

- Expanish cannot be held responsible for decisions taken by embassies or immigration police regarding entry visas or visa extensions. Visa advice can only be given by the appropriate Embassy or Consulate.
- Students must maintain a valid visa status and their course will be terminated without a valid tourist or student visa. A valid visa status includes having an appropriate and current tourist or student visa as required by local immigration laws. Failure to maintain a valid visa will result in the termination of the course. It is the responsibility of the applicant to ensure that the most updated regulations/processes are being followed.
- Expanish cannot be held responsible for any visa regulation changes which occur after the bookings have been confirmed in compliance with the then existing regulations.
- A visa document courier fee is charged each time documents have to be sent by courier (see school price lists).
- In order to issue course confirmation documents for student visas for Spain, Expanish requires the full payment of a course.

Insurance

Students are required to have adequate travel and medical insurance for the duration of their stay. Expanish offers an optional insurance policy that can be purchased. Please note that we can only arrange insurance coverage for the period in which the student is enrolled in the course.

Emergency Contact

Students are required to provide emergency contact information prior to starting their program.

Class Information

- Classes are held Monday to Friday and are scheduled in the morning and/or afternoon depending on the school's availability and cannot be confirmed until course start.
- Expanish reserves the right to use classrooms in alternative premises of the same standard.
- Long-term discounts are applicable when the weeks are booked and paid for together.
- Spanish in the City: some activities outside of the classroom may incur extra costs. Examples include entry fees for cultural sites, transportation for excursions, and materials for specific workshops. Students are encouraged to budget approximately 10 € per week for this purpose.
- Expanish reserves the right to modify the course structure and schedule when necessary. For students who are already attending the school, any schedule changes will be communicated in advance, no later than the Thursday of the previous week. These changes do not entitle students to a refund. However, if Expanish is unable to provide a course, the student will be entitled to a refund of the corresponding tuition fees.
- Punctuality Policy: Students who arrive late to class will not be allowed to enter once the class has started.

- Students are responsible for any damage to the housing property or damage or loss of personal belongings of hosts/owners that occur as a direct result of the student's actions. If damage occurs, the student must replace or repair the affected item(s) or reach a monetary agreement with the host/owner.
- Extra nights may be available upon request, for an additional charge and subject to availability. Not available for Student Residence.
- Students in housing will be provided keys, and in case of loss or theft they are responsible for replacing them and covering other related costs.

- If written notice is provided at least two (2) weeks in advance, the student may request to freeze their start date until the visa is approved, subject to availability and visa validity. Postponements may be granted for up to three (3) months from the original start date.
- In all cases of postponed start dates due to visa delays, Expansh may only provide classes and program services during the period explicitly authorized by the student's official visa. Any portion of the program that cannot be delivered due to visa validity limitations will not be rescheduled, extended, or refunded.
- If the student fails to provide written notice at least two (2) weeks prior to the original start date, the absence will be considered a late cancellation or no-show, and the program will be subject to the standard cancellation policy.
- If the visa is ultimately denied, the student may request a refund in accordance with the Refunds with Official Visa Denial section, provided that the official denial documentation is submitted.

Homestay Cancellations

- For cancellations received 14 days or more in advance of the program start date, Expansh will refund fees received in full.

- If a student with housing requests a course break, and will not be using their housing during the break, unused housing will not be credited or held "in their favour" for when they return. The student will need to rebook housing and check availability unless the break is requested with a minimum of 35 days' notice. In such cases, new housing can be arranged, but it may differ from the original booking.

Level of Spanish

If a student does not have the minimum level of Spanish required to follow a specific course, as determined by the Expansh placement test, Expansh reserves the right to move the student to a course that is appropriate for their level.

- An additional 32€ materials fee is required and paid on site each time a student starts a new level and receives a new textbook.

Class adjustments

- Expansh requires a minimum of 3 students to form a group. On the rare occasion a class does not have the minimum, the number of lessons will be reduced by 50% or the student will be offered to join a group of students from another level. The decision will be made by the school based on academic criteria.
- If a group at Expansh Barcelona 30+ cannot be formed, the student will enter an open group at our Barcelona under 30 class.
- For our 50+ program, Expansh requires a minimum of 2 students to form a group. If a 50+ group cannot be formed, the student will enter an open group of our standard Intensive course, with access to its standard activities.
