11. Insurance – Ireland

All students are required to have comprehensive travel, medical and personal insurance, to be provided to the school before arrival. This should include medical cover for Covid-19 and appropriate cover for eventualities arising as a result of Covid-19. Any additional costs incurred due to Covid-19, such as extended stays, are the responsibility of the student or parent/guardian.

Students travelling from EU countries should bring their European Health Insurance Card with them. This only entitles students to emergency hospital care and attendance at certain doctors. Please note that this will not cover elective procedures or dental visits.

To comply with immigration guidelines, all non-EU students are required to have medical insurance valid for their entire stay in Ireland.

We can organise medical insurance for non-EU students at a cost of €140 (fee is valid at time of printing but may be subject to change; policies are non-refundable once they have been issued). Students are not insured by the school or by the family, against accidents, illness, theft or loss of personal effects, and the school accepts no responsibility in the event of such occurrences. We will automatically add our medical insurance policy to non-EU Academic Year Bookings in order to facilitate opening a bank account in Ireland - our policy can be used as proof of address which is a requirement of opening a bank account.
