WHAT OUR STUDENTS SAY ABOUT US

“Easy school is the best suitable school for me. I could focus on studying English in a calm and peaceful atmosphere. I was worried about making friends before I started my class. But after one week, I made a lot of friends who came all around the world. All of them are so nice and friendly to everyone. So, you just need to get along with them!! You can enjoy the beach. Also, you can travel to Comino and Gozo. The class was also good. The teachers are well educated and good at teaching someone. My English skills have been really improved since I had class in Easy school. After the time, the memories that I made in school will be kept in my mind and define who I am”

SEOHYUN PARK
KOREAN STUDENT

“Easy School is a great school, and what sets it apart from other places where I’ve done English courses is its cozy and intimate atmosphere. Being a medium-sized school allows the staff to provide personalized attention to each student. It’s very conveniently located in Valletta, the capital of Malta, where students can enjoy museums, beaches, and overall entertainment. The combination of the beach and the heavenly blue sky all around allows for the opportunity to meet people from a fantastic cultural diversity of countries that converge here, whether it’s at school or everywhere else. It’s a highly valuable experience that adds a lot to its students in every sense.”

MARIA SOCORRO BRANDÃO
BRAZILIAN STUDENT

We would like to express our gratitude and provide some positive feedback regarding the “Creativity and Motivation in the Classroom course” that we recently attended. This teacher training course has been an incredible learning experience, and we would like to extend our appreciation to Easy School of languages, all its staff and especially the lecturer Alan Marsh. The course content was not only relevant but also exceptionally engaging. The insights, strategies and tips shared have provided us with a fresh perspective on how to include creativity into our teaching methods while effectively increasing students’ motivation. We experienced and practised many teaching techniques and interactive discussions. The practical examples and real-life anecdotes, stories and explanations shared by Alan made the lessons come alive and we were looking forward to each class.

ALICE AND PAVLA
CZECH STUDENTS

It’s been about 4 months since I started studying at Easy School of Languages. I have never regretted choosing this school, because I can’t imagine a better environment than this school. I’ll explain why: I was not able to speak English when I first came here, but now I have a lot of foreign friends. We often get together outside of school; we usually play football and another games. We always have a good time together, so we are not just classmates. We became best friends. The school is also in a good location for sightseeing. There are a lot of hot spots in Valletta. I am inspired every day by this city. I highly recommend this school.

SHOGO UKAI
JAPANESE STUDENT

It’s my second time in Malta with Easy School, and once again has been a fantastic experience! Apart from the lessons, which are very interactive and engaging, the staff and the teachers are always ready to help if you need them. Also, the accommodations are situated in Malta’s best areas, so you can reach the school comfortably. Furthermore, the school always provides interesting outdoor activities, and you always have the opportunity to meet people from all over the world. Here at Easy School you will never be bored!
