ST PAUL'S BAY

St Paul's Bay and the neighbouring towns of Bugibba and Qawra are amongst the most popular summer resorts on the island, with restaurants, cafés, bars, and numerous facilities for water sports enthusiasts. The coastline along this region is mostly rocky, however, it is within easy reach of some of Malta's best sandy beaches. This area is very picturesque, with views, across the bay, of the Island of St Paul, which has been identified as the place where the shipwreck of the vessel carrying the Apostle Paul occurred.

NORTHERN JUNIOR SCHOOL

Our northern junior school is located 10 minutes away from St Paul's Bay, in Mosta, to which students commute everyday with our private transport. The school is a modern building with spacious well-lit classrooms, some of which enjoy views of the Mosta Dome and the open countryside.

RESIDENCE BELLA VISTA

Our residence Bella Vista, located in St Paul's Bay, is a modern four star hotel. All the rooms have en suite bathrooms and a balcony, with most of them overlooking either the pool or the countryside. The pool area is equipped with sunbeds and umbrellas. The complex also contains a snack bar, a mini market, a gym and an indoor pool with jacuzzi. A buffet of Mediterranean cuisine is served in our restaurant.
