Introduction

Choosing the right type of accommodation for your study holiday is as important as choosing the right course. Alpha School of English can offer you a wide range of accommodation options based on your budget and individual requirements.

Self-catering apartments

There is no doubt that an apartment offers privacy, comfort and space in which to enjoy your time with your family or friends while preparing your own meals.

Hotels

Choosing a hotel has its benefits as it gives you the advantage of having more time on your hands while you enjoy having your room cleaned and your breakfast and dinner lavishly prepared for you. Most hotels offer great facilities including swimming-pools, gyms and leisure areas.

Homestay

The best way to gain an insight into our culture and traditions is to choose to stay with a local host family, or opt to have home tuition where you will have home-cooked meals lovingly prepared by your host, experiencing the Maltese lifestyle first-hand. Homestays are ideal for teens. Many of our hosts have worked with us for several years and offer our students wonderful hospitality.

Whatever your choice, all our accommodation types are licenced by the Malta Tourism Authority and are regularly inspected by our Accommodation Manager. They come highly recommended by past students, so no matter what you choose, we are convinced that your stay will be up to your expectations.

Travelling between your accommodation and the school and places of interest

Most accommodation is within a 5- to 15-minute walking distance from the school. Other accommodation can be up to 25 minutes away. Many students, on arriving in the area, enjoy the leisurely walk through the local neighbourhood or along the promenade, especially as we enjoy many months of great weather here. If you do not fancy walking, then we can suggest bus routes.

Within the locality you are only ever a short walk to the nearest seaside or a bus stop, with routes that can transport you all over Malta and Gozo for sightseeing and other leisure activities.

Radisson Blu Resort & Spa, Malta Golden Sands

This luxurious 5-star hotel is situated approximately 15 minutes away from the school by car and is an ideal choice for both families and executive guests. A secluded paradise, the Radisson Blu Resort & Spa at Golden Sands is perched on the edge of a cliff overlooking the sandy beach of Golden Bay and the crystal blue water of the Mediterranean Sea.

An all-inclusive, elite resort, Radisson Blu Resort & Spa at Golden Sands has a range of facilities which include a private beach, multi-purpose court, 24-hour fitness center, two outdoor swimming pools, a jacuzzi, business center, conference facilities, deluxe spa facilities, three restaurants and three bars, a diving centre and a jet-ski rental service.

The hotel welcomes children and offers specially designed menus, a babysitting service and a children's swimming pool. Spacious, comfortable and luxurious, the 329 rooms and suites offer superb views of Golden Bay or the terraced Maltese countryside.

In-room amenities include deluxe en-suite bathrooms, air conditioning, free Wi-Fi, coffee and tea-making facilities, hairdryer, safe, minibar, satellite and pay TV.
