

Short Curriculum Teacher Workshop

Duration: maximum of 2 weeks / 20 teaching units weekly
sitting in on classes in the morning / workshop in the afternoon (1pm – 4.15pm)

Requirements: at least German language level B2

Goals:

The principle of this workshop is a collegial exchange of thought and experiences between language teachers.

In the first place, the concept offers selected contents of discussions, essential theoretical backgrounds and tasks, which initiate an intensive examination of the given subjects. Furthermore, there are classes in the morning where participants can sit in and observe teaching units at the Academy of Languages, and, amongst others, follow contents of workshops in a practical manner.

The workshop is based on the interest, commitment and experiences of the participants. The goal is an open, permissive and enriching discussion.
